

December 2016

EASI-SWITCH TRIAL NEWSLETTER

WELCOME

To the December edition of the EASI-SWITCH trial newsletter

Once again, please accept our **THANKS** for all the efforts of the entire study team in relaunching the study

STUDY UPDATE

Recruitment has opened from 01st December and a huge well done to BELFAST who have already recruited 3 patients in this short period.

The total number of recruited patients now stands at a promising 10

Reminders

SEALED ENVELOPES

The holidays can be a busy time. Don't forget the Sealed Envelope system can be accessed 24 hrs a day to ensure all eligible patients can still be recruited over Christmas and New Year.

Training is available on CRF changes and to refresh the SAE reporting process. If you haven't already done so please contact NICTU to book a convenient time.

Promotional

merchandise has been dispatched. Do let us know if this has arrived safely....or if you need more.

SITE INPUT

Our Site Investigators Teleconference has been rescheduled to the 3rd Wednesday of every month. The next meeting will take place on 21st December 2016 at 12pm.
