

## Newsletter 10 | Closure 2025

**1956** Patients Randomised

Recruitment closed

We hope that you have celebrated your massive achievement.

**Huge congratulations to Royal Stoke University Hospital for recruiting the LAST patient!**

**Every patient recruited DID count.**

**See you at MAY INVESTIGATOR MEETING 13 MAY 2025 @11am**

### MARCH Top 10 recruiters

1	Bristol Royal Infirmary	6	King's College Hospital
2	Royal Stoke University Hospital	7	Aintree Hospital
3	Guy's and St Thomas'	8	Adenbrookes Hospital
4	Belfast City Hospital; RVH	9	The Royal Oldham Hospital
5	Freeman; RVI	10	Sunderland Royal Hospital

*We want to express our sincere gratitude to all of you for your incredible support and dedication, which has made the MARCH study possible.*

### As we MARCH out, the next steps are:

- Investigator Protocol Agreements for Protocol v4**; please return a signed & dated copy, if you have not already
- Sample shipment**; make arrangements for courier collection with Judit (judit.barabas@qub.ac.uk). Email collection details & include sample tracking logs with shipments.
- MACRO**; respond to all outstanding queries on both the screening and clinical databases. Please enter all data that can be. Data entry must be completed and clean before PI sign-off and to authorise 'per patient payment'. *Please inform Una when data entry is complete.*
- MACRO PI Sign-off**; *only when Una requests* & complete in a timely fashion
- Patient Contact Details Form**; please return any outstanding, by post or encrypted email.
- Monitoring requests**; complete any outstanding requests by email with cc'd MARCH@nictu.hscni.net
- ICNARC**; please ensure data is uploaded to allow us to perform linkage
- LPMS**; complete patients consented and recruited per month, and if needed correct.
- Invoices**; liaise with R&D to raise to final requests with mie.palmer@qub.ac.uk
- APIs**; contact Naomi, using MARCH@nictu.hscni.net, for API Checklist sign-off
- Study training logs & GCP**; review that are complete, no time gaps & are current. File-note discrepancies. Email, with MARCH@nictu.hscni.net cc'd, updated documents and MARCH site file-notes
- Staff contact**; inform us of changes to PI and key contact (s) emails
- Study Delegation Log**; Sign-off only staff no longer involved in MARCH research activity e.g. not responsible for recent MARCH patients and 6-month follow-up, responding to data queries, Amd25 Process Evaluation, close-out tasks & archiving. Email log to MARCH@nictu.hscni.net with Site name as subject.
- Consent documents**; signed and filed within ISF as per protocol for each recruited patient
- ISF**; review and use Index C to file study documentation including the Pharmacy ISF and study Trial Manual
- Close-out documentation**; This will include a formal letter with guidance on archiving, defined by the Sponsor & request a copy of the delegation log with all staff and PI signed off.
